---

Quality-driven software professional, convinced agilist and experienced Scrum master, I'm looking forward to new responsibilities in management.

I believe that agile methodologies and management lead to delivering high-quality software and bring more happiness in the workplace.

## Experience

since 2016 **Scrum master** at *Tanker*

Development of an end-to-end encryption SDK in JavaScript and C/C++.

- Introduced Scrum to the organization, run the Scrum events and coached team members into more agility.
- Roadmap and backlog management
- Hands-on software design, architecture and development (javascript, go, c++)
- Quality and performance testing

2011 - 2016 **Software engineer** at *Dashlane*

Development of a world-class password manager in C++/Qt

- Lead development of the Windows Desktop application through 4 major versions.
- Design, development and maintenance of Dashlane's security protocols, including a patented authentication and data synchronisation system and a secure password sharing system
- Responsible for Dashlane's desktop release process and quality monitoring

## Education

2007 - 2011 **INP Grenoble Ensimag** - Master degree in software engineering

2009 - 2010 **Tohoku University** (Sendai, Japan) - JYPE international exchange program

2005 - 2007 **Lycée Dupuy de Lome** (Lorient) - preparatory classes: two-year undergraduate intensive course in mathematics, physics and chemistry.

# Skills

## **Methodologies:**

- Roadmap creation, backlog management and prioritization, bugs prioritization
- Scrum, kanban, lean, extreme programming
- TDD, continuous integration, continuous delivery, automated tests

## **Technical:**

- Software programming: c++, javascript, go, python, ...
- Software architecture
- Cryptography and software security
- Quality and performance testing

## **Languages:**

- French: mother tongue
- English: fluent
- Chinese: limited proficiency
- Japanese: limited proficiency

# Interests

- Travel (China, Japan)
- Martial arts (judo, aikido, jiu-jitsu)
- Tabletop role playing games
